

**We are continuing
to follow CDC
guidelines**

BEFORE ENTERING THE DOCTOR'S OFFICE:

We wear masks here. Why? Because the CDC still recommends mandatory face coverings in Doctors' Offices

As soon as they don't, we won't

Forgot yours? No problem. We'd be happy to provide you with one

THANK YOU FOR
CONTINUING TO
ENTRUST US
WITH YOUR
CARE!

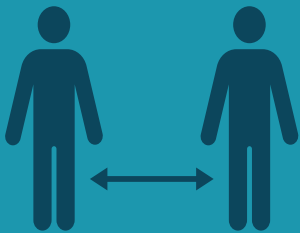

ARE WE THERE YET?

ALMOST!!

The CDC still recommends **face coverings** for Doctors' Offices to help stop the spread of COVID and other respiratory illnesses. Plus, get vaccinated!

Wear a mask over your nose and mouth.

Stay at least 6 feet from other people.

Wash your hands (hand sanitizers available).

Ask your doctor about getting vaccinated.
