

The Pfizer Vaccines US Medical Affairs team will be hosting “**Medical Updates: Pfizer-BioNTech COVID-19 Vaccine, also known as COMIRNATY® (COVID-19 Vaccine, mRNA),**” on Tuesdays, at 5pm ET and Thursday’s at 12pm ET for the remainder of 2021.

These sessions will be continuously updated to reflect new information and changes that evolve. Such updates will be identified at the start of each session and further explained during each presentation.

The topics for the current sessions, subject to change, include:

- FDA approval in individuals 16 years of age and older
- Third dose authorization for immunocompromised persons
- Packaging update
- Shelf-life extension and temperature range
- Storage, handling & administration.

Please click on the links below to join the sessions at the designated times over the next several weeks:
