Tisha Van Pelt, MD

Dear Dr. Van Pelt,

Congratulations on your selection to serve as resident chair of the American Academy of Family Physicians National Conference of Family Medicine Residents and Medical Students! Your nomination has been confirmed by the AAFP Board of Directors.

The mission of the American Academy of Family Physicians (AAFP) is to improve the health of patients, families, and communities by serving the needs of members with professionalism and creativity. It is through the hard work of dedicated members like you who accept leadership roles that we are able to accomplish our goals. We at the AAFP look forward to working with you over the next year.

Your leadership term officially begins with your current preparation for serving on the Commission on Education Subcommittee on National Conference Planning (SNCP) and will last through the fall 2023 meeting of the SNCP, with exact date to be determined. During that time, you will work with many members of the AAFP staff, with Rachel Larsen as your primary contact.

As always, staff in the AAFP Medical Education Division is available as a regular point of contact, and to help you navigate how to address any questions or needs.

On behalf of myself and the rest of the AAFP Board of Directors, we welcome you to an exciting year full of hard work and a lot of fun. This is a wonderful time to be engaged with Family Medicine – our future is bright! Again, congratulations!

Sincerely,

Sterling Ransone, MD, FFAFP
President
