

Opioid  
Response  
Network

FLORIDA ACADEMY OF  
FAMILY PHYSICIANS  
SUPPORTING FLORIDA'S FAMILY PHYSICIANS

**PRESENT THE FOLLOWING TRAINING EVENT:**

**How to Save a Life: Expanding Access to Treatment for  
Opioid Use Disorder (OUD)**

*Non-CME Webinar*

August 10, 2023, 6:00 pm-7 pm EST

**REGISTER NOW!**

**LEARNING OBJECTIVES:**

1. Review status of Substance Use Disorders in the US and Florida focused on Opioid Use Disorder (Opioid Use Disorder)
2. Understand Screening, Diagnosis, and Terminology related to OUD
3. Review the evidence-base for medication and behavioral therapies in treating OUD
4. Understand basic pharmacology of each FDA approved medication for OUD: methadone, buprenorphine, and naltrexone
5. Understand the role of Primary Care in management of OUD

**Samuel K. Parish, MD,**  
**FA SAM**

*Dr. Parish is a Kentucky native and received his medical degree from the University of Kentucky College of Medicine. He is board certified in Addiction Medicine and Family Medicine. Dr. Parish has a strong interest in and advocates for primary care integrated with behavioral health in the evaluation and treatment of substance use disorders. He serves as a subject matter expert on treatment Opioid Use Disorder for the SAMHSA funded Opioid Response Network. He is a Fellow of the American Society of Addiction Medicine. He is an active member of the American Academy of Addiction Psychiatry and the American College of Academic Addiction Medicine.*

*Funding for this initiative was made possible (in part) by grant no. IH791083343 from SAMHSA. The views expressed in written conference materials or publications and speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.*
