

Florida Academy of Family Physicians
2024 Legislative Session- Week 4
February 2, 2024

The Capitol was jammed this week with busy committee hearings, budget amendments, and House and Senate floor activity. Both Chambers unanimously passed their respective budget bills, placing the bills in position for the beginning of negotiations. Policy wise, the breadth of issues considered by the legislature is as diverse as the state. Next week the legislative session will reach the half-way point and the hectic pace shows no signs of slowing. FAFP member Tristan Brooks, DO, served as Doctor of the Day on February 2 and is shown here with her sponsor Representative Michelle Salzman. Over 15 FAFP members have or are scheduled to serve as doctor of the day during the 2024 session – well done!
